## Weary of Living Below —Joseph D. Chase

Have you ever been so tired of the sin in the world that you just wanted to leave this world for Heaven? I think many godly saints have felt that way a few times. However, the darker and more sinful this world becomes makes it more necessary for us to be busy about the Lord's work.

God has not given up so neither can we. I pray we will see each person as the soul that they are not the sins they commit. We should remember clearly, "but for the grace of God, there goes I." We should feel like Paul...

*"Last of all, as to one untimely born, he appeared also to me. For I am the least of the apostles, unworthy to be called an apostle because I persecuted the church of God. But by the grace of God, I am what I am, and his grace toward me was not in vain. On the contrary, I worked harder than any of them, though it was not I, but the grace of God that is with me."*(1 Corinthians 15:8–10 ESV)

God will use us to accomplish His great work. He provides the increase when we plant and water. It should break our hearts
